Sacred Water Teaching

On May 30th and 31st, the 2023 Peterborough Children's Water Festival (PCWF) made its triumphant return to Riverview Park and Zoo, offering the first in-person festival since 2019. The Festival is organized in collaboration with educators, water quality specialists, conservation groups, industry, and government to create two days full of activities that are educational and fun for children.

Our Impact

Over the past 21 years, 30,388 elementary students and 6,684 teachers and parent helpers have attended the PCWF to celebrate water and their relationship with it.

Thank you to past and present sponsors who have supported immersive water education! We couldn't do it without you!

Sponge Bog Frog Hop

To learn more about how you can be involved in our 22nd Annual Festival, May 28th and 29th, 2024 visit www.pcwf.net

Healthy Shorelines = Healthy Rivers
