## Thank you for attending the 2023 PCWF

### MEDIA

The Organizing Committee of the Peterborough Children's Water Festival requests that members of the news media give due consideration to the following:

- It is the sole responsibility of the photographer to ensure that students/subjects may be photographed, so please confirm with the student's teacher, parent or legal guardian that you have permission to photograph a child(ren)
- Refrain from staging photos – the children are attending the festival to learn and we ask that photographers not take valuable time positioning children for photos, similarly, please refrain from interrupting students' while on snack breaks or lunch breaks, unless approved by the teacher.

PLEASE CHECK-IN AT REGISTRATION UPON ARRIVAL

**Please stay back from the shoreline!**

First aid are in **RED** | PCWF Committee are in **GREEN**
