

KEEP YOUR TOILETS HAPPY

a colouring book by
Nathan T. Wright and MESUG

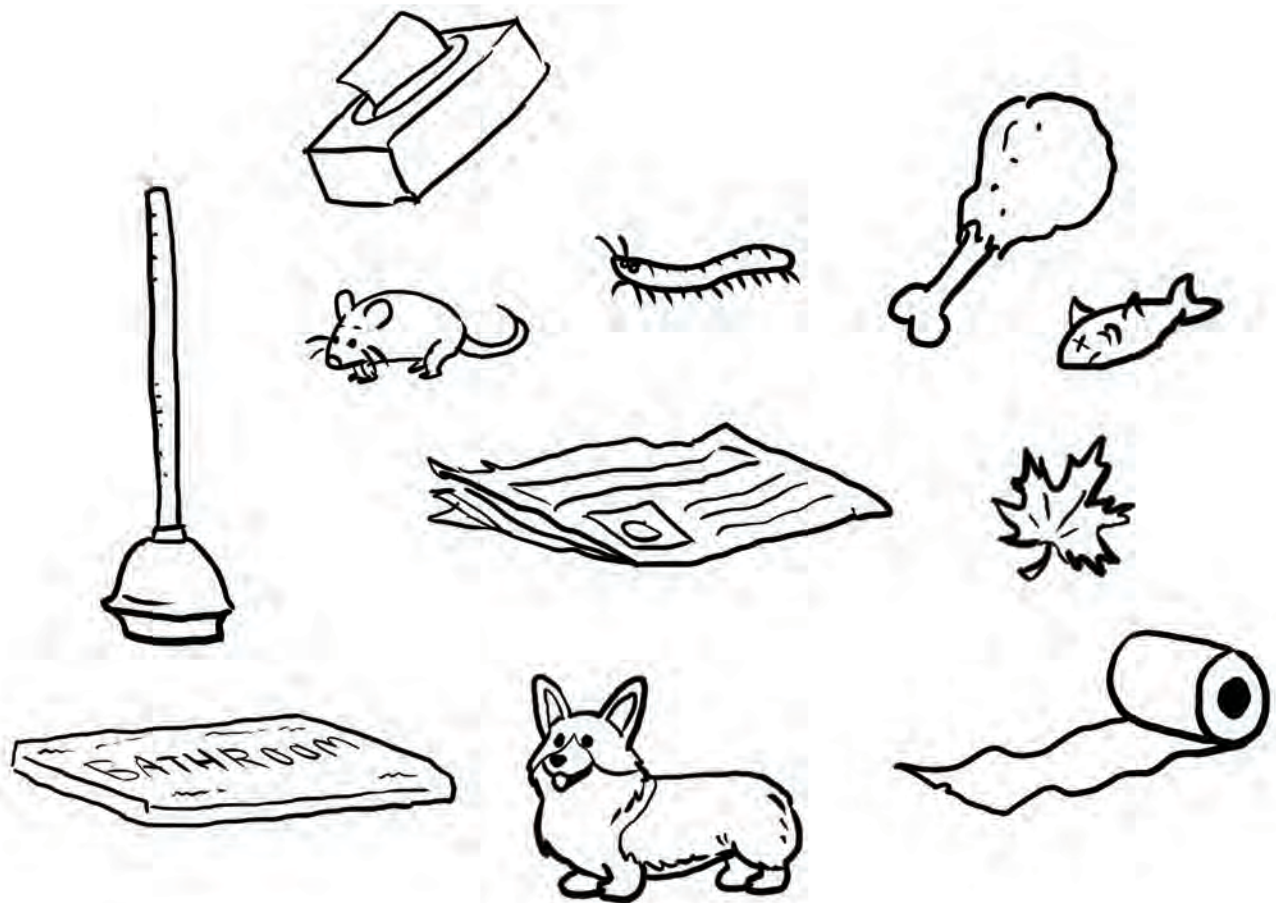

CREDITS:

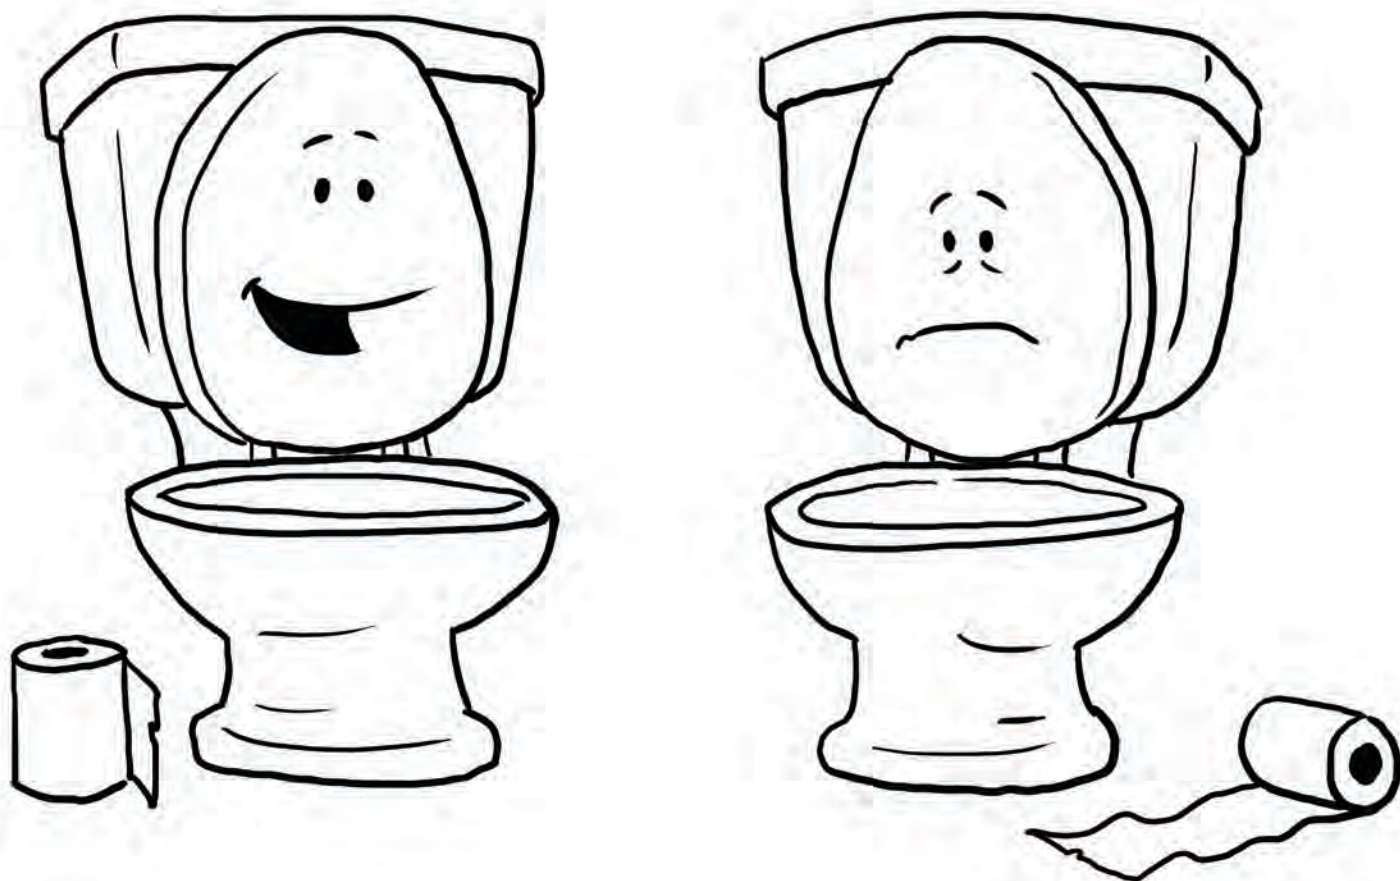

This project was produced and funded by MESUG, the Municipal Enforcement Sewer Use Group based in Ontario. MESUG is a non-incorporated group of municipal enforcement professionals working together to address common issues regarding sewer use in Canadian municipalities. We, along with the Canadian Water and Wastewater Association (CWWA) are part of a national and international effort to address the growing concern of what is flushed to municipal sewer systems.

Illustrations, story and handwritten font by Nathan T. Wright. Find more of Nathan's work at nathantwright.com.

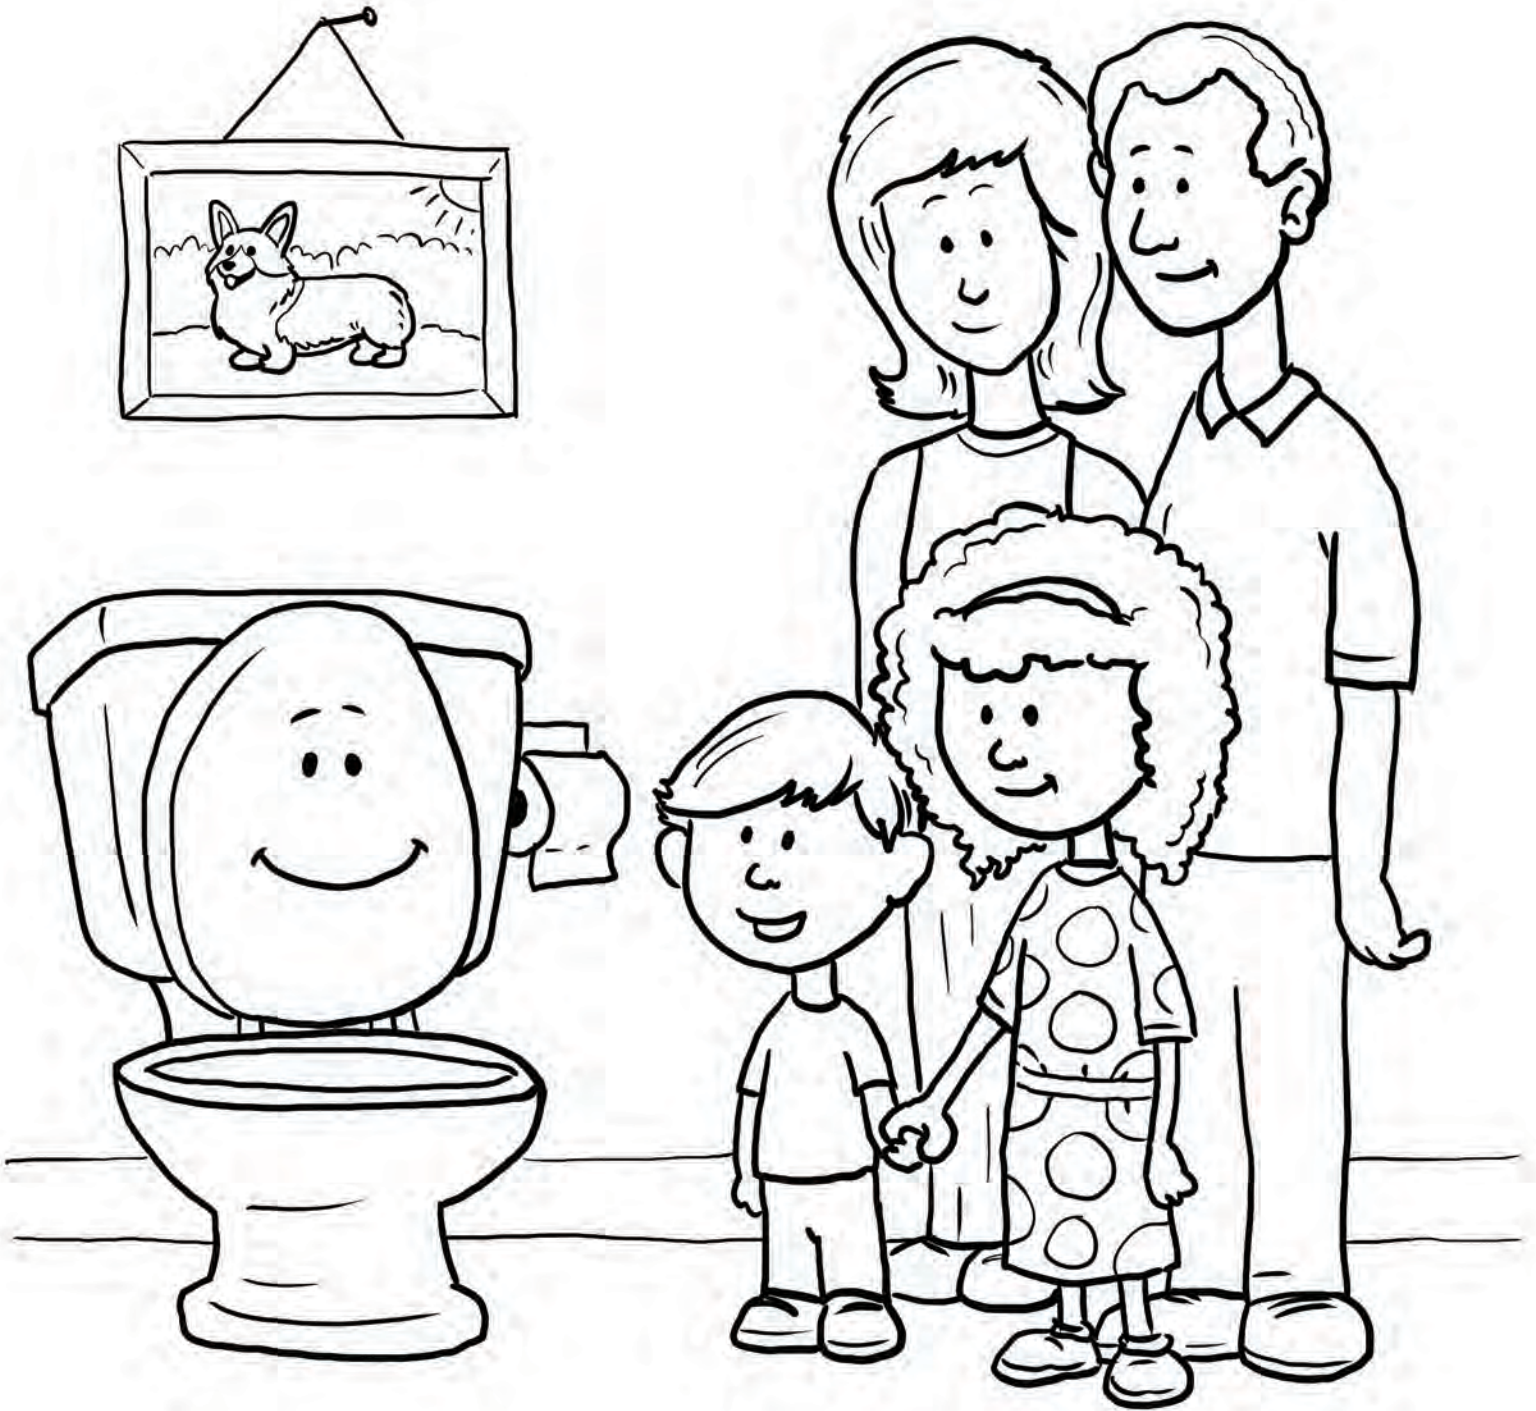

CAN YOU FIND THESE OBJECTS HIDDEN
THROUGHOUT THE BOOK?

THIS IS THE STORY OF TWO TOILETS.
ONE TOILET IS HAPPY. THE OTHER TOILET IS SAD.

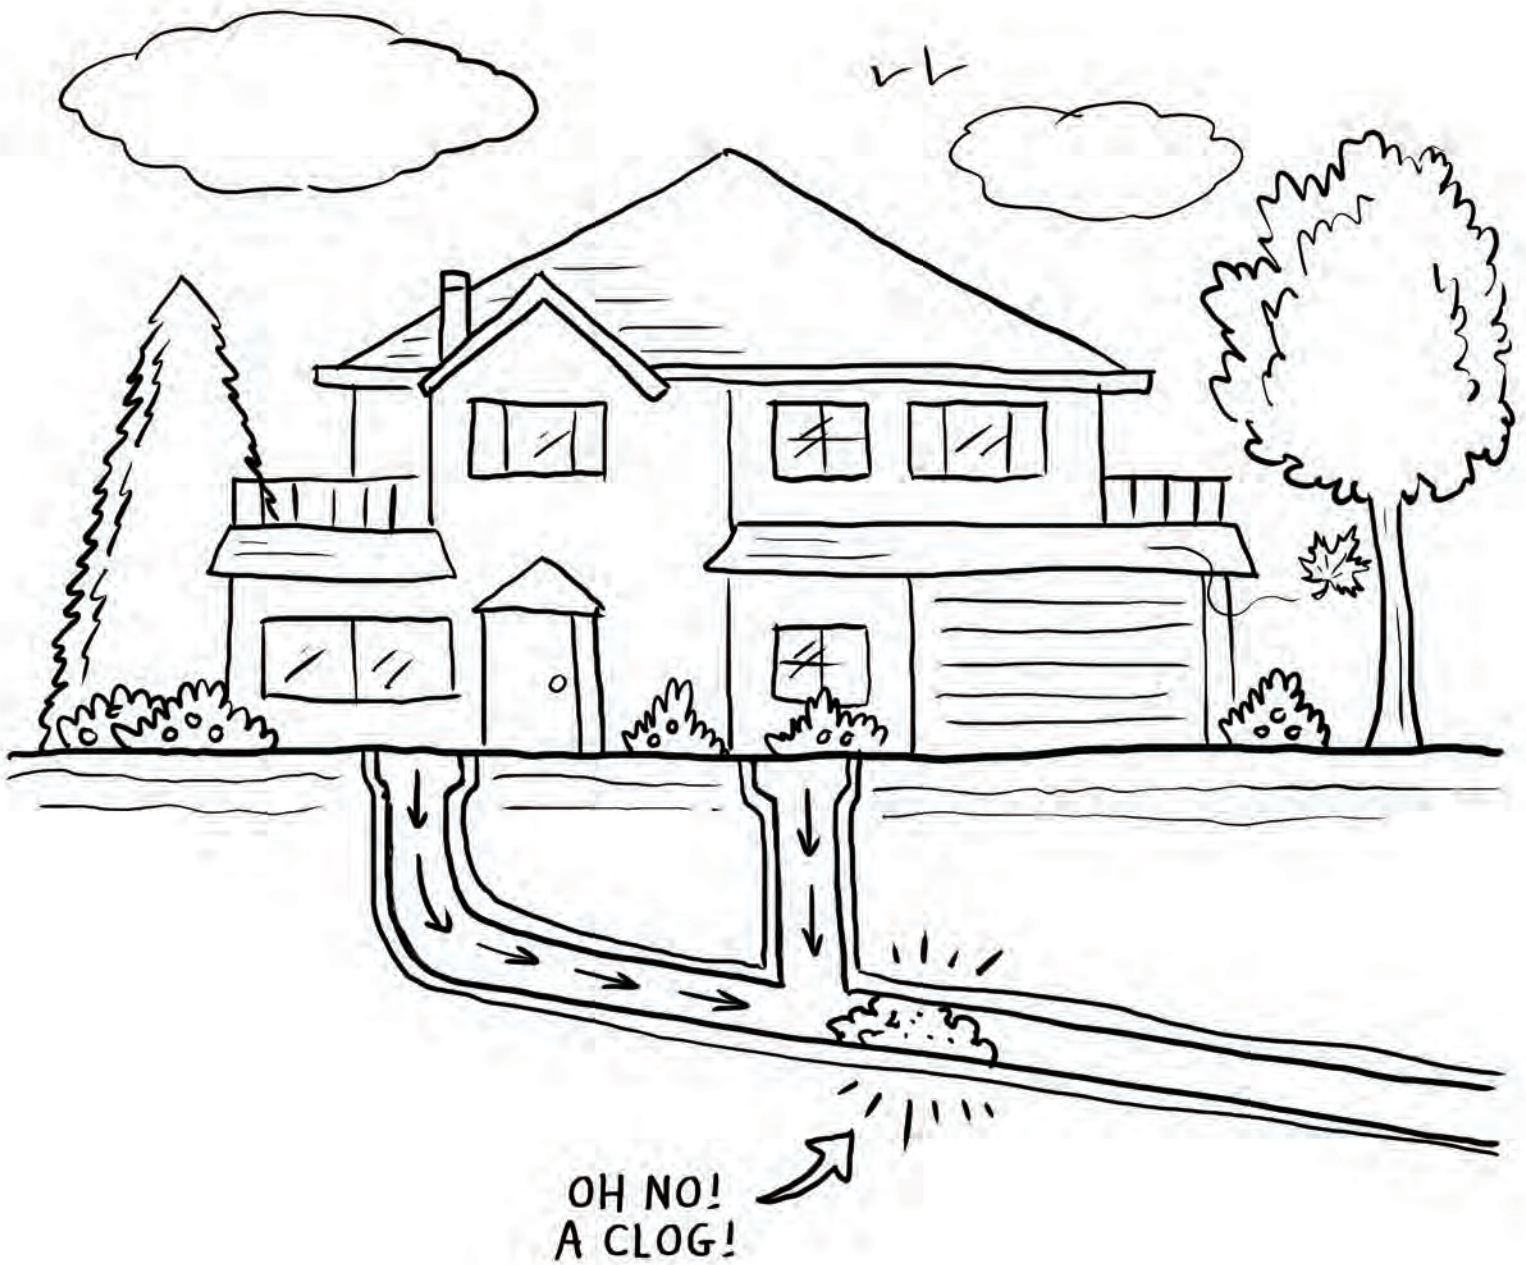

THE HAPPY TOILET LIVES IN A HOME WITH A FAMILY.
THEY ONLY FLUSH TOILET PAPER, PEE AND POO.

THE SAD TOILET ALSO LIVES IN A HOME WITH A FAMILY.
BUT THEY FLUSH EVERYTHING! THIS MAKES THE TOILET SICK.

THE SAD TOILET DOESN'T FEEL GOOD WHEN IT'S TREATED
LIKE A GARBAGE CAN. WIPES, DIAPERS, FLOSS, BANDAGES,
CIGARETTES, COMBS, COTTON BALLS, PADS, FOOD, HAIR,
CLOTHS, MEDICINE, TOOTHBRUSHES, CHEMICALS AND GREASE
SHOULD NEVER BE FLUSHED.

WHEN THE WRONG STUFF GETS FLUSHED, IT STICKS TOGETHER
IN THE PIPES UNDERGROUND. THIS CREATES ALL SORTS OF
PROBLEMS LIKE CLOGS, BACKUPS AND BASEMENT FLOODING!

SOMETIMES THE LUMPS OF WRONG STUFF KEEP GROWING
UNDERGROUND. THEY GET BIGGER...

AND BIGGER...

AND EVEN BIGGER...

UNTIL THEY TURN INTO FATBERGS!

NOBODY LIKES FATBERGS.
THEY MESS EVERYTHING UP!

IF THE WRONG STUFF (GARBAGE, PLASTIC, CHEMICALS
AND MEDICINE) ENDS UP IN THE SEWER PIPES,
IT CAN SNEAK OUT INTO RIVERS AND LAKES, MAKING
HUMANS AND ANIMALS SICK.

MUNICIPALITIES HAVE WONDERFUL STAFF DOING OUTREACH
JUST LIKE CAPTAIN FOG. PLEASE CONTACT YOUR LOCAL
MUNICIPALITY FOR MORE INFORMATION.

THANKS TO CAPTAIN FOG, THE SAD TOILET'S FAMILY
DOESN'T TREAT IT LIKE A GARBAGE CAN ANYMORE.
THEY ONLY FLUSH TOILET PAPER, POO AND PEE, MAKING IT
A HAPPY TOILET WHO LIVED HAPPILY EVER AFTER.

Toilets are not
garbage cans!
